DEPOSIT POLICY FOR PROCEDURE/SURGICAL APPOINTMENTS

Our goal is to provide quality and individualized medical attention/care. Due to the extensive amount of time and preparation necessary for Procedure/Surgical Appointments, we require a deposit at the time of your reservation. Our Physician and Staff prepare and devote uninterrupted, reserved time for your appointment.

Missed Appointments and late cancellations inconvenience those individuals who need access to our services and causes disruptions & inconveniences to the doctor and staff that have specifically set aside time for your Procedure.

Deposit requirement amounts are as follows:

\$100 for Procedure/Surgical Appointments

This Deposit will be fully refunded after you arrive for your scheduled Procedure. You can also opt to use this Credit Deposit to cover any Co-pays, deductibles or other balances due.

We will work hard to accommodate appointments that fit your schedule and Vein Medicine needs. We ask that you inform us about any changes to your scheduled appointments at least 48 hours in advance. There is no penalty for changes made within this timeframe of your Procedure date.

However, changes that are made less than the required 48 hours notice to your Procedure date OR a No Show to these Appointments will result in a forfeiture of the deposit.

I have read and understand the Financial Policy and Appointment Policy for Kowalski Surgical Center & Bucks County Center for Vein Medicine and agree to abide by these policies. (If you require another copy of either of these policies you can request one.)
